

IMAGINE N.O.W.

Imagine Nurturing Our Warriors, Ltd.

Imagine N.O.W., a Nevada nonprofit corporation, is bringing hyperbaric oxygen therapy to Las Vegas and other cities around the country to treat the hundreds of thousands of Veterans who suffer from traumatic brain injury in its many forms. More than 800,000 Veterans returning home from current conflicts have debilitating brain injury and many more Veterans from Vietnam still battle symptoms from brain injury incurred more than

40 years ago.

TRAUMATIC BRAIN INJURY

This is one injury with many names: traumatic brain injury, aka concussion; post-concussion syndrome (concussion not healed); post-traumatic stress (diagnosed brain damage not attributable to direct impact or explosive blast); and traumatic brain injury (brain damage from direct trauma or explosive blast).

Traumatic brain injury has ruined millions of lives. Left untreated, it can lead to depression, despair and suicide. In fact, the Veterans Administration cites traumatic brain injury as a leading cause of Veteran suicide, now estimated at 20 a day although many believe that number is an understatement.

HYPERBARIC OXYGEN THERAPY

Hyperbaric oxygen is a proven safe and effective treatment for traumatic brain injury in its many forms. It reduces inflammation (edema being a primary cause of tissue damage and pain); reperfusion the vascular system in the damaged tissue with oxygen and nutrients essential to healing notably in the frontal lobe where higher order cognition occurs; and it activates the immune system triggering stem cells and new tissue growth.

Because neither the Veterans Administration nor most insurers pay for this treatment, it is up to nonprofits like Imagine NOW to treat this condition through donations.

IMAGINE N.O.W.

Imagine N.O.W. was formed to bring this much-needed therapy to the hundreds of thousands of Veterans with blast-induced concussion and for millions of new concussion victims each year.

TREAT A VETERAN NOW - DONATE NOW

HEAL A VETERAN - BUY A PIECE OF THE FLAG

Each Block Will Treat One Veteran – Your Name and Veteran's Name and Date on each block

ONE RED OR WHITE STRIPE BLOCK - 10" X 10" - \$30,000

ONE STAR BLOCK - \$7,500
